

Speech-to-Speech Call with Confidence

Speech-to-Speech (STS) service allows people with a speech disability to make and receive phone calls. The STS operators are specially trained to understand speech patterns to ensure you are understood.

To use STS, dial 877-787-2660 and provide the telephone number of the person you want to call. Instruct the STS operator to:

- repeat your words upon request
- re-voice your side of the conversation

T-Mobile offers the following options:

- Online TRS Customer profile
- STS Call Setup
- Wireless *STS

To learn more about the call processing options visit:
